PROFESSIONALEXPERIENCE

OutsourceX — Senior Customer Support Specialist

Cape Town, South Africa | Full-time | Nov 2025 – Present

- Delivered senior-level support via Zendesk, Gorgias, email, in-app chat, and social media for personalized photo product e-commerce (albums, calendars, ornaments).
- Consistently achieved **94%+ CSAT** with under **2-hour average response times**.
- Proactively managed negative reviews across Google Reviews, Trustpilot, and Apple, converting dissatisfied customers into loyal advocates.
- Collaborated with warehouse, logistics partners (**Royal Mail, DPD, UPS**), and Product teams to resolve complex order issues.
- Handled escalations: replacement orders, goodwill gestures, refunds — ensuring full **GDPR compliance**.

StaffSmith — Technical Support Specialist

Cape Town, South Africa | Full-time | Jan 2024 – Oct 2025

- Provided expert technical support for **iOS, Android, and web casino platforms** via Intercom live chat.
- Optimized Intercom workflows: created macros, triggers, and inbox views to significantly improve team efficiency.
- Advanced troubleshooting: cache clearing, permission settings, VPN config, fallback deposit/withdrawal methods, game loading issues.
- Maintained **iGaming regulatory compliance** and responsible gaming policies while handling sensitive player data.

Dorvon — Customer Service Representative

Cape Town, South Africa | Full-time | Jun 2022 – Nov 2023

- Delivered real-time support via phone (inbound & outbound), email, and live chat — up to **100 calls per day**.
- Resolved betting issues, account problems, bonuses, deposits, withdrawals, and platform functionality.
- Took ownership of escalated cases using in-depth product knowledge to troubleshoot technical issues.
- Created and managed tasks in **Jira Software** and **Intercom** for process improvements and feature requests.

Convio — Sales Associate

Cape Town, South Africa | Full-time | Jan 2020 – Apr 2022

- Door-to-door sales for **Vodacom Fiber** across Cape Town, pitching to homeowners and B2B clients.
- Educated customers on fiber benefits and assisted with on-the-spot sign-ups and account setup.
- Achieved consistent sales targets through prospecting, pitching, objection handling, and relationship building.
- Demonstrated strong initiative and resilience by walking extensive areas daily in Cape Town to identify new sales opportunities and expand Vodacom Fiber's customer base in underserved neighborhoods.

OPEN SOURCE & COMMUNITY

FreeCodeCamp — Open Source Contributor

Remote | Part-time | Jan 2025 – Present

- Contributed to curriculum development by creating and refining coding challenges in JavaScript, HTML and CSS, enhancing the learning experience for million of users.
- Collaborated with the community to identify and fix bugs in existing lessons, improving clarity and functionality.
- Participated in code reviews and discussions to ensure high-quality contributions aligned with FreeCodeCamp's Educational goals.
- Engage with learners on forums to provide support and guidance, fostering a collaborative learning environment.

PROJECTS

Portfolio Website

[Source](#) | [Live](#)

- Implemented smooth scrolling navigation, animated typing effect, scroll-to-top functionality, and a fully validated contact form for enhanced user interaction.
- Ensured fully responsive design with clean, professional UI/UX that adapts seamlessly across devices.
- Structured and customized the site to effectively highlight professional background, technical skills, and featured projects.

GoNow-News

[Soure](#) | [Live](#)

- Implement real-time RSS sychronization from global source (updated every 5 minutes), dynamic path-based routing and SEO optmization (meta tags, JSON-LD, sitemap).
- Added interactive features including real-time Firebase comments, article pagination related, bookmarking, dark/light mode and full admin dashboard for content management.
- Focused on performance with lazy loading, XSS protection (DOMPurify) and optmized image handling, delivering a fast, engaging user experience
